The only satisfactory way to select a jacket is to try it on. If this is not possible, keep in mind that BIRDIE® jackets are tailored with a full athletic cut for greater freedom of action and complete comfort. When selecting sizes, consider what will be worn under the jacket and what the wearer intends to do in the jacket. The size chart is for general guidance.

Jackets are our only business. Up-to-the-minute styling, a full range of sizes, and a wide variety of colors allow BIRDIE® to service all your jacket needs.

Every BIRDIE® jacket is manufactured from the finest materials available. We use lightweight lining that is 100% brushed polyester. Our nylon quilted lining is either 6.2 ounces or 8.8 ounces. Our pile lining is 15 ounces 100% acrylic, and Sherpa lining is 22 oz. 100% polyester. The poplin we use is 80% polyester and 20% pima cotton. All our corduroy is 86% cotton and 14% polyester fibers. The poplin chintz material in our jackets is a polyester/cotton blend. All nylon outer shells are Du Pont fabrics.

Dyeing fabric is not an exact science, so there is never a guarantee that successive dye lots will be precisely the same shade. While we do our utmost to standardize colors and match them as closely as possible, we ask that before garments are lettered or screen-printed, they be inspected for style, size, color, and defects. We cannot assume responsibility for lettering or imprinting costs if such an inspection is not made.

For those customers who already use BIRDIE® JACKETS...we thank you for your patronage.

If you are a new customer, we look forward to being of service to you. We are confident that you will be among the many thousands of satisfied customers who currently use our products.

Thank you for buying BIRDIE®.

Returns: No merchandise may be returned without our authorization. Returns must be prepaid. After our inspection of the returned goods, we will either repair, or issue a credit for the return at our option. Worn merchandise must be washed or cleaned before it will be accepted for inspection, repair, or replacement.

Cancellation of Orders: No order may be changed or cancelled without our consent.

Shortages: Check all arriving cartons for damages. Claims for damaged or lost shipments should be made to the carrier. Shortages due to packing errors must be reported within 10 days of receipt of shipment.
